

WASHBASIN CABINET TIRSO 60 WHITE MATT

[COLLECTION TIRSO, TIRSO FURNITURE](#)

PRODUCT CODE:

S1015-007

Product description

This cabinet is equipped with two spacious drawers with a full bottom, providing more space for storing various bathroom accessories - therefore, we recommend using a space-saving siphon. The applied soft close mechanism guarantees quiet and smooth closing, which increases the comfort of use. The front of the cabinet is made of grooved MDF board laminated in a matt version, which gives it a subtle texture and elegant look. The body of the cabinet is laminated chipboard, also in a matt finish. This product fits perfectly with furniture washbasins, in- a-countertop washbasins and countertop, so it can be easily adapted to various bathroom arrangements. Additionally, this set includes two sets of metal handles (black and chrome), allowing you to adjust the appearance of the cabinet to the user's preferences. The cabinet is intended for self-assembly, which allows for easy personalization and adaptation to your own needs.

Technical data
